Each member wishing to participate receives a copy of the Challenge List and the “Challenge Manager” keeps a duplicate copy. At each club meeting, finds will be verified by the “Challenge Manager” (using club resources if needed) who will check off items on the master list. Items need not be brought in during the month of the ‘find’, but may not be carried over to next year’s Challenge. Planted items from organized hunts DO NOT QUALIFY. Upon completion of each level, the prize for that level will be awarded at a club meeting. The “Challenge Manager” (Dave Gregorski) is the final judge as to whether a find qualifies, and regarding other pertinent conflicts.
